

**Do you have a product or service that can benefit companies in the HEI
Community?**

Can you summarize your proposition in less than 5 minutes?

If so, we may have an opportunity for you!

The Hirshberg Entrepreneurship Institute exists to help emerging natural, organic and mission-driven businesses and entrepreneurs succeed. So, if you can offer a product or service that can benefit entrepreneurs' companies, employees, consumers, customers or other stakeholders, we are inviting you to apply to make a 5-minute live pitch to our audience of roughly 200 attendees at the beginning of our upcoming Webinars.

We will choose one Offer per session from any applications we have in hand by the **prior Friday noon EST each week**. Offers will be chosen on the basis of:

- The apparent unique and positive value of your proposition for our audience
- The affordability and convenience of your offer
- The clarity and succinctness of your presentation and pitch

To apply to present your Offer, fill out the form below and submit it to Carlene Ruesenberg **along with a maximum of three slides** that you would like to use to present your offer.

We will choose one Offer per week and will notify all of those selected no later than Monday at 8am EST prior to our weekly Wednesday webinar.
